

**To:** Flavius Killebrew, *President*

**Through:** Kathy Funk-Baxter, *Executive Vice President Finance & Administration* 

**From:** Environmental Advisory Council, Roy Coons, *Chair* 

**Date:** December 12, 2012

**RE:** Environmental Policy Statement

In accordance with the TAMUS System Environmental Policy, *Environment 24.04* each system member shall have an Environmental Policy Statement endorsed by its Chief Executive Officer. In keeping with this requirement the Environmental Advisory Council respectfully submits this policy statement for your approval.

**Environmental Policy Statement**

Texas A&M University–Corpus Christi is dedicated to being an exemplary environmental steward. In keeping with this vision and to maintain the campus effectively while also working to preserve the environment for future students, the University affirms its commitment to environmental excellence and actively promotes a healthy, quality environment. The University embraces its role to provide educational leadership to achieve the goals of this policy and to balance fiscal and environmental responsibility.
